Dear LEA McKinney-Vento Homeless Liaison:

First, I wanted to take this opportunity to thank you for all your work to ensure that all students, regardless of housing status, have access to a quality public education. You know more than anyone that even a brief period of homelessness can create enormous barriers to educational attainment and can have lingering effects on a student's academic success - even after acquiring stable housing.

As the lead homeless agency in the Los Angeles Continuum of Care (LA CoC), the Los Angeles Homeless Services Authority (LAHSA) would like to collaborate with LACOE, and all corresponding LEAs, to coordinate and align both of our homeless youth Point-In-Time (PIT) count data sets. As part of our coordinating effort for the 2019 Greater Los Angeles Homeless Count, LAHSA highly encourages you to collect specific subcategory information of students' nighttime residence in the California Longitudinal Pupil Achievement Data System (CAPADS) or the LEAs Student Information System (SIS). This detailed breakdown of students' nighttime residence will allow LAHSA to assess the level of overlap within PIT count data more confidently.

Please see the attached letter from Peter Lynn, LAHSA Executive Director, for more detailed information and instruction. If you have any questions or need additional information, please contact me directly at (213) 683-3338 or [cverjan@lahsa.org](mailto:cverjan@lahsa.org), or Melissa Schoonmaker, LACOE Homeless Consultant, at (562) 401-5397 or [schoonmaker\\_melissa@lacoedu.edu](mailto:schoonmaker_melissa@lacoedu.edu).

Together we can continue to make great strides in ending youth homelessness.

Respectfully,  
Clementina
